**Organizing for
Communal Life**

**From the Desk of
Reverend Joel Weible**

Every year in August and the beginning of September, one particular “dimension of ministry” – *Organizing for Communal Life* – takes center stage in my role as your Pastor. While other ministerial duties (like interpreting scripture, empowering for transformation, and engaging the wider world) may be more exciting, *organizing PVPC for another year of communal life* is fundamental to our year, and years, ahead as a community. As always, we’re very grateful to the Ministry Teams and individuals who will spend time *this* month organizing for the months *ahead*.

So as you read and schedule the “end of summer” activities in this newsletter, give some thought to the new “ministry year” that begins in September. Let us know what you’d like to do and help support all those who are working to get it done. As much as we enjoy tradition and “the way we’ve always done things,” we are entering another *new* ministry year: 2017-2018. And we are organizing to “serve, enjoy, glorify, celebrate, and faithfully follow” in new ways, too. As the summer draws to a close, let the New Year begin. Of course you know where it all starts ...

See you in church,

Joel

IT'S HERE! The Annual PVPC Church Picnic!

When: Sunday, August 6th, 2017 – immediately following our Sunday Worship Service.

Where: On the PVPC front lawn.

We'll have barbeque sandwiches, hotdogs, and drinks.

What to Bring: Please bring your favorite side dish to share.

Dessert: Once again, we're having a PIE CONTEST! Please bring your favorite Pie and enter the contest.

For the KIDS: Outdoor games, crafts, and FUN!

You won't want to miss all that is planned!

Mark your calendars, and we'll see you on August 6!

TED MERHOFF MEMORIAL PIE CONTEST

The Member Development Team continues to remember our beloved friend and avid pie baker with our Annual Pie Baking Contest in his honor. There are many contributions for which we remember Ted Merhoff at PVPC; the pie baking contest may not be the most significant one, but it's a good one.

Steps to Entering the Ted Merhoff Pie Celebration or "Channeling Ted"

*Note the disclaimers

1. Be Eager and Enthusiastic: Ted entered every year and required no encouraging. *If you require encouraging, that's OK too.
2. Know your craft: You don't think Ted was just born knowing how to create the tallest, tastiest most perfect meringue; I'm pretty sure he researched and tested. We are talking about Ted here! *But if you don't have time for that, well there was only one Ted; so not to worry, short cuts are OK for the rest of us.
3. Plan ahead and arrange your kitchen for efficacy: Once again we are channeling Ted. *If you get up early on Sunday and throw it together, OK. Didn't someone once say something about the best cooks and their messy kitchen?
4. Bring your pie to the Church kitchen with the biggest, proudest look of 'I've got this one' that anyone has seen on Sunday Morning: Before or as soon after church as possible and get it registered in with Jordan. *There is no disclaimer on this one, we can all picture Ted doing this and follow suit.

Bon Appetit!

PASTOR WEIBLE PREACHING AT THE FORUM

August 20th at 2:00 p.m.

Pastor Weible has been asked again to be a guest preacher at the *Forum at Brookside* on Shelbyville Road. Forum Chaplain Ed Gayhart asks area ministers to be a part of the worshipping community there every summer. If you have time and a bit more energy on this day, come to the *Forum* to celebrate worship with the “wider church” and a wonderful community: 200 Brookside Drive (just off Shelbyville Road, past Middletown).

PVPC AT FREINDSHIP MANOR

Sunday, August 27, 2:00 p.m.

At 2:00pm on August 27th, we will lead the regular Sunday gathering at Friendship Manor. We usually spend about twenty minutes with the residents who gather to sing, pray, and share a bit of the life and love of our congregation with them. We end with five or ten minutes in conversation with them sharing the hope and faith of PVPC and looking forward to our next visit. If you have this time open on the 27th, please plan to join us for the celebration!

CDC News

Where did the summer go? Do you feel like that too? It really seems like yesterday that my daughter was celebrating her last day of school and we were making all kinds of plans for the summer. Now, here we are, making lists and deciding where to do our back to school shopping. It just seems impossible!!!

This month we will continue with some fun summer themes such as Curious George and Pet Week. Then, as the month comes to a close, we will begin preparing for the Fall and our formal school year. We will be having our School Year Orientation Night on Thursday, August 10, 2017 6pm for our Toddler classes on up.

I have great news regarding the Kroger Community Rewards Program! Finally, the Kroger Company has decided that you no longer need to re-enroll in the program each year. So, if you are currently enrolled you will remain enrolled in the program until you decide to do otherwise. Some of you may be asking, "What is this program?" By simply going online to Kroger.com and enrolling your Kroger Plus Card in their Community Rewards program you can help the CDC earn money. If you select the Pewee Valley Presbyterian Church as your designated recipient then every time you shop, and use your Kroger Plus card, the CDC receives credit. It's like a fundraiser except you're buying things you really need. Every quarter we receive a check from Kroger based on the amount of shopping that everyone has done. Our last check in June was a little over \$500.00, which is wonderful. Right now the CDC is saving to re-surface our playground and all of the money earned through this program goes toward that project. Your family and friends can also participate in this program and help the CDC, so please spread the word to those that you know. If you have any questions about the program or how to get enrolled, please stop by the CDC office or give us a call at 241-0177. And also, please keep sending in your empty printer ink cartridges!!! This is another quick and easy way for the CDC to earn a bit of extra money to put back into the center for the children.

Happy August to you all! Enjoy the rest of your summer...
